

Health & Safety Policy Statement

The Company aims to ensure that all activities carried out on its premises or undertaken by its staff are managed in such a manner so as to avoid, reduce or control, all foreseeable risks to the health & safety of any person(s) who may be affected by such activities to a tolerable level.

To ensure compliance with all relevant health & safety legislation, the Company will pay particular attention to the provision of:

- A healthy working environment;
- A safe place in which to work, with safe means of access;
- Suitable and sufficient information, instruction, training and supervision to enable all staff to comply with the Health & Safety Policy;
- Safe equipment and systems of work;
- Arrangements and training for the safe use, handling, storage and transport of materials and substances;
- Appropriate procedures to monitor compliance with the Health & Safety Policy;
- Appropriate procedures to assess and control the risks associated with work activities undertaken by our staff.

The responsibility for day-to-day compliance with this policy lies with each employee, who must work within the boundaries of this policy to ensure safe working practices.

The company has appointed a health & Safety Manager to assist in ensuring compliance with the Health & Safety Policy and will continue to seek external sources of information and recommendation to ensure compliance with legislation.
